

WATT
WATCHER

Take control of your energy usage and sign up today for **Watt Watcher**

1. Sign up for a **Watt Watcher** account at <https://my-nce.sensus-analytics.com/login.html#/signin>.
2. Click on “Need to set up an account?”. Enter your email address and click on the link “Get Started”.
3. An activation link will then be sent to your e-mail account.
4. Enter your Member Number (do not enter decimal places, only the series of digits)
5. Enter your name as it appears on your bill.
6. Cell phone is an optional feature but allows for alerts pertaining to usage and outages sent via a text message.

Knowledge is power

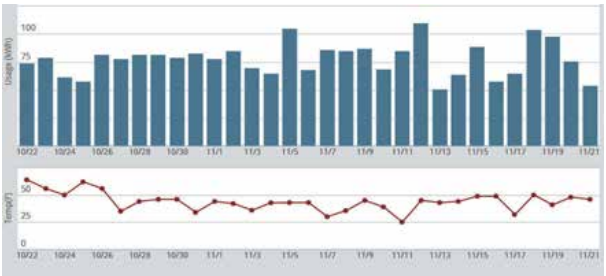

Your meter collects your energy data daily and provides that information to you through **Watt Watcher**. Stay informed on when and how you use electricity. **Watt Watcher** is a new online tool that shows you why your energy dollars may have gone up or down and empowers you to take control of your usage.

**Become a
Watt Watcher
today and
watch your
savings grow!**
