TWO-WAY VOICE PENDANT

Speak and hear clearly through the pendant with
Central Station from anywhere around your home

- Dials and provides voice communication with Central Station
- For use with Two-Way Voice Pendant, Emergency Communicator or Cellular Accessory

• FULLY SUPERVISED

Pendants communicate with base station every 13 hours to ensure proper connection. Central Station is contacted in the event of a power outage, low battery or loss of signal.

• EMERGENCY CALL

Emergency call is placed by either pressing the 'EMERGENCY' button on the pendant or on the base unit. Braille lettering is included on the base unit buttons.

• LOCAL SERVICE

Nobles Cooperative Electric is ready to assist you locally if you need technical assistance or just want to speak to someone about your device.

Are you concerned about your loved one's safety?

- Of the 36 million Americans over 65, about 1 in 4 will fall in a given year.
- Seniors are hospitalized for fall-related injuries 5 times more often than they are for other injuries.
- 50% of people who fall require assistance from someone else to get up.

Enjoy the peace-of-mind with a Medical Alert from Nobles Cooperative Electric

The one touch, one of a kind, emergency response system for under a dollar a day!
